PROJECTS

**GAME -
GUESS THE
NUMBER
LINK**

In this Project, I made a Game in which you have to Guess a Number between 1-100.

It has 4 Levels – Easy, Medium, Hard, Extreme having different number no. of attempts in each Levels.

**PORTFOLIO
WEBSITE**

In this project, I made a portfolio Website using HTML, CSS JavaScript. It has many sections, like about me, Find me and many more. You can set the theme you like and it will be saved for next visit. It also contains Contact section where you can contact me.

**Analog Clock
LINK**

I made an Analog Clock Using Pure HTML, CSS and JavaScript.

It consists of Hour hand, Minute hand, and Second hand.

**DRUM KIT
LINK**

In this Project, I made a drum Kit which plays different sounds when a key is pressed. It has 9 different keys like A,S,D,F,G,H,J,K,L.

**ECOMMERCE
WEBSITE
-OnGoing**

Online store having 8 products, price filter, add to cart and many more features.
